Boost your productivity with Intermec by Honeywell Industrial Printers – FREE for 30 days!

## Try the New PM Series Industrial Printers for a Month – NO Obligation

Don't settle for a printer that's merely "good enough." Find out what you can achieve with true productivity:

- The PM series is the fastest, smartest printer in its class.
- Test it in the real world: compare PM series to your current printers and see the difference.
- No costs. No obligations. The printer is brought to you, unpacked and installed. All you have to do is print.

Try a PM series printer for an entire month of free printing with your existing media—we'll even show you how easy it is to configure.

Trial units are extremely limited, so book your demo quickly!  
<PARTNER NAME> will contact you to arrange delivery and installation.

- PM Series Printers**
- **Ready** – Fastest to deploy, with a large color touchscreen and the most connectivity options
  - **Reliable** – Built from 40 years of printing innovations, so you can maximize your up-time
  - **Performance** – Increase your productivity with the fastest-in-class print speed (12 inches per second)

Product Profile

### TERMS & CONDITIONS:

This document does not constitute a legal contract or an offer to sell. Any agreement regarding an Intermec product under this offer will be governed by separate terms and conditions between Intermec Authorized Partner and you ("Participant"). Each Participant is limited to a maximum of 2 mobile computers per location/address. Mobile handheld computer(s) and set up are provided free of charge by Intermec Authorized Partner for 30 days, with no obligations to purchase thereafter. Offer subject to product and part availability.
