

Two OS options.

Large, brilliant, multi-touch display.  
Thousands of ways to get more done.

The new CN51:  
Versatility speaks for itself.

NEW

NEW

## Introducing the New CN51.

Collect data faster. Expand your capabilities. Surpass customer expectations. All this and more with the CN51. Future-proof your enterprise with the unique ability to migrate from Windows to the Android operating system - all without having to purchase new or additional hardware.
