

Configure your new  
printer in seconds,  
by just scanning  
a bar code!

## Try the PM43 for 30 Days – **But Only Until 30 September**

Deploying and managing printers costs valuable IT time that you can't afford to waste. That's why we designed the PM43 to be the world's fastest, easiest printer to configure.

- **Quick to Setup**—features like "scan to connect" and "no touch configuration" for fast installation
- **Speed**—the fastest-in-class printing throughput
- **Intelligence**—run labeling applications inside the printer, without an attached computer
- **Ease of Use**—intuitive interface with rugged 10-language touchscreen

Better yet, for a limited time you can see for yourself—  
at no cost or obligation to you.

**No-hassle guarantee: the printer will be  
brought to you, unpacked and installed.  
All you have to do is print.**
