

## Try the Industry's Smartest Printer for 4 Weeks—No Obligations

The right smart printer can reduce your costs by as much as 56% each month\* and we want to give you a chance to see for yourself, with the industry's smartest printer.

Try the PM43 for One Month and Experience:

- **Speed**—the fastest-in-class printing throughput
- **Versatility**—the most connectivity and interface options
- **Intelligence**—run labeling applications inside the printer, without an attached computer
- **Ease of Use**—intuitive interface with rugged 10-language touchscreen

**No-hassle guarantee: the printer will be brought to you, unpacked and installed. All you have to do is print. But hurry: this trial offer ends 30 September 2013, and only while supplies last!**
