

## Intermec® trade program

Trade In and Trade Up to the No-Compromise  
Mobile Computer for In-Premise Applications

### Upgrade to the new Intermec CK71 and SAVE!

Intermec is expanding their trade-in program to include mobile computers and now you can **save up to \$250** for trading in your qualifying competitive model!

The Intermec CK71 is the next-generation, ultra-rugged mobile computer that achieves true functional agility with the perfect balance of ruggedness, duty cycle, and ergonomics – perfect for the most demanding in-premise applications. For the first time ever, the CK71 is now eligible for special rebates through this program.

**Get the complete list** of qualifying competitive models and learn how you can benefit from switching to Intermec, an industry leader with over 40 years of AIDC experience.

**Don't Delay - Program ends June 30, 2012.**
