

Intermec® trade program

Trade In and Trade Up to the World's Fastest Handheld 2D Scanner

Intermec is expanding their trade-in program to include handheld scanners! Trade in a qualifying competitive model and save up to \$50 on the Intermec SG20 handheld bar code scanner. **But don't delay—this program ends December 31, 2012.**

Trade Up to the Intermec SG20 and Feel the Speed

Intermec has been at the forefront of the AIDC industry since 1966 and continues to lead with innovative scanning technologies focused on helping business customers increase their operational efficiencies. Continuing forth with this commitment, the Intermec SG20 has the speed to make scanning routines in retail, healthcare, office and light manufacturing more efficient. Beyond performance, the SG20 offers a wide range of choice in models and accessories, and the entire SG20 family is priced for value. To celebrate the launch of SG20, special savings are available for a limited time through this program.

Generous Trade In Offers

Trade in an eligible competitive model, shown in the table below, and save \$50 on the purchase of an SG20 cordless scanner (SG20B) or save \$25 on the purchase of an SG20 tethered scanner (SG20T).

Streamlined Trade In Process

1. Purchase an SG20 scanner between April 2 and December 31, 2012
2. Register your purchase and trade-in online at www.Intermec.TradeUps.com within 30 days of purchase
3. Ship your old product and proof of purchase within 30 days of rebate submission
4. Receive your check

For complete program details, terms and conditions and to trade up to Intermec, visit www.Intermec.TradeUps.com or call 855-545-2201.

*This offer includes all SG20 configurations as published in the North American Price Guide (Document #609305) with a publication date within the program period.

Terms and Conditions

Purchase must be completed between April 2 and December 31, 2012. Rebate claims must be submitted within 30 days of purchase or by January 31, 2013, whichever is sooner.

This offer is valid for qualifying purchases of Intermec equipment purchased by end users in the U.S.A. and Canada.

This rebate is valid for new product purchased and trade-in scanners shipped (freight prepaid) within 30-days of invoice for the new equipment. Your rebate amount will be determined by the number of eligible units traded-in and the corresponding number of eligible new units purchased (a 1:1 ratio of like products).

Not valid with any other offer. This promotion may not be combined with any other special pricing that has been offered directly to an end user or through a reseller partner. MVI will accept rebate submission for a maximum of fifty (50) units per end user during the program period unless otherwise approved by Intermec.

Trade-in units must be in working condition and must include all accessories when received at the MVI Processing Center; rebate will not apply for non-working units. Handwritten invoices or sales history receipts will not be accepted as proof of purchase. Intermec and its agents have the right to substantiate sales receipts and serial numbers. Only one claim per qualified Intermec equipment purchased.

Allow 6 to 8 weeks for rebate check from time that trade-in product is received at MVI. Rebate payable in U.S. dollars only. Claims that do not comply with the terms of this offer will be rejected. MVI or Intermec is not responsible for lost, stolen, or misdirected submissions. Rebate checks are void if not cashed within 90 days of issuance and cannot be reissued. Intermec reserves the right to change specifications of this promotion at any time without prior notice.

For complete program information and to participate in the Intermec Trade In program, visit www.Intermec.TradeUps.com or call 855.545.2201.
